

CITY OF CRAIG

RESOLUTION NO. 03-19

A RESOLUTION FROM THE CITY OF CRAIG SUPPORTING THE
EAST HAMILTON DRIVE LIFT STATION & FORCE MAIN UPGRADE
AS THE NUMBER ONE STATE CAPITAL PROJECT PRIORITY FOR
FISCAL YEAR 2005

WHEREAS, the City of Craig Wastewater Facilities Plan completed in July of 1994 identified upgrading of the East Hamilton Drive Pump Station and force main as a required project to handle the flows safely and economically by directing them across the Cemetery Island causeway; and,

WHEREAS, the Craig Wastewater Facilities Plan has determined that the East Hamilton Pump must be upgraded, which requires replacement of the pump to handle the increased flows; and,

WHEREAS, the Craig Wastewater Plan also recommends the construction of a new forcemain to redirect the flows across the existing Cemetery Island causeway; and,

WHEREAS, the replacement of the East Hamilton Pump Station and the installation of a new forcemain redirecting these flows is an integral and essential part of the city's commitment to implementing the Craig Wastewater Facilities Plan adopted in 1994.

NOW THEREFORE BE IT RESOLVED, that the Craig City Council declares the replacement of the East Hamilton Pump Station and the construction of a new forcemain redirecting flows across the causeway as the number one State Capital Construction Project for fiscal year 2005.

APPROVED August 7, 2003
